

SARAH IN KENYA!!

My name is Sarah Horne, I am a dental nurse and have worked at CJ Harker and Associates Dental Practice in Silsden for 8 years. I am also qualified in Oral Health Education, Application of Fluoride Varnish and Dental Radiography. I have lived in Silsden for almost 10 years and have been a member of Silsden Gala Committee for 7 of those years. As part of the committee I have helped to organise many events for the community of Silsden such as the annual Gala, past bonfires and the Christmas market to name but a few!

I'm very excited to have the opportunity to travel to Kenya at Easter 2015! I will be volunteering for 2 weeks with the charity Mission Direct*. While in Kenya the team and I will be partnering with the Maasai Evangelistic Association and working to build a new Massai Rescue Centre. The centre will offer refuge, education and empowerment for young women who have fled their families, refusing forced marriage.

I will also work with a number of other social projects during the trip; assisting at a school and applying fluoride varnish to the children's teeth.

I believe all children deserve an opportunity for education and should have the right to be kept safe away from harm.

I am honoured to help build a new facility that would enable Maasai Mara girls a safe environment to live and become educated. I understand this trip will be difficult at times but hope it will also be rewarding. I expect this to be the most self-fulfilling experience of my life so far, and will take pride in all achievements I accomplish that may better the lives of those less fortunate than me.

Please consider sponsoring me on this trip, any donation would be greatly appreciated as I am hoping to achieve my fundraising goal. You can sponsor me at mydonate.com and search for Sarah Horne to find my fundraising page.

Thank you and I can't wait to return from my trip with stories and pictures to share with you all!

*Mission Direct is a Christian charity working in some of the poorest parts of the world. It supports local projects, building houses, schools and clinics with volunteer labour. It does this by providing short term volunteer teams from the UK. Registered charity number 1107824
